

# FLANNERY CENTRE - BATHURST

## Expression of Interest Design & Construction

Central West Group Apprentices Ltd invites submissions from suitably qualified organisations to provide Design and Construct services for the new Flannery Centre in Bathurst. The 1700sqm project is to achieve Green Star certification with the Green Building Council of Australia. The Flannery Centre is an initiative of the Australian Government being part of the Education Investment Fund. The National Code of Practice for the Construction Industry, in accordance with the Australian Government Implementation Guidelines for the National Code of Practice for the Construction Industry, August 2009, applies to this project.

Register with John Goldsmith: [jgoldsmith@skillset.com.au](mailto:jgoldsmith@skillset.com.au) to receive the full EoI documentation by email. The briefing review is planned for Friday 21 August 2009.
